KARLSRUHE AMERICAN HIGH

DEDICATION

To one who has served all of us with his continuing and growing interest in the development of our music department and our school, and has served assiduously and patiently to help us better ourselves, our ambitions, and to pursue our own goals in life. Mr. Ronald Voeller, we do proudly dedicate this, the 1969 Der Kavalier, to you.

FOREWORD

Another school year at KHS will soon be completed. We hope that it has been a pleasant and profitable one for you and that in the 1970's, 80's and beyond you will be able to review these pages with pride and pleasure. We hope too that your spirit of initiative and achievement--so well portrayed in this 1969 Kavalier--remains with you in the years ahead. The entire faculty joins me in wishing you well in your future educational and vocational planning.
