Another year has shown us moods and emotions. Although the year and it's activities can not be repeated, the memories will remain with us forever. We have all experienced moods and emotions; the thrill of defeating SHAPE and winning the championship; the mixture of excitement and reluctance of the first few days of school; the happiness of being together with friends; the pride of making the decisive touchdown or basket; the exhaustion, anguish and satisfaction of wrestling; the drudgery of homework; the accomplishment of doing a back-walkover; the reward of a good grade; the feeling of achievement when looking at the results of continual money-making projects; the jovial atmosphere of Miss Higa's class; the warmth of the bonfire; the uncomfortableness of wearing a dress on a cold day; the attack of spring fever; the sadness of the last day and the hope for the year to come.

Juniors... we look back upon these times and laugh. We remember the bad times, we remember missing the games because we were selling, we remember the hours spent on clean-up and we remember the fun, the laughter, and friends and the

satisfaction of the results---a prom we will never forget and we hope the others will never forget.

not everyone was always there, but the show must go on. We worked hard at football games, we worked hard at the basketball games, and with each game we became more experienced and more skilled in the business world. We found out where to get free napkins, free cups, free coffee, free

sugar, free spoons, free bratwurst, and lots of goodies needed Junior class. game go, Dan, i said gary as from the dome splattered stained cloth. the game go as he was

cream, free mustard, cheap cheap brotchen other little to support a "how did the heard we won" he emerged in his grease and mustard es. "how did gary" said dan

sweeping the gym floor. anyway worked hard for that prom and hope that '74 will do the same as a conclusion.
